04 SOCIAL RESPONSIBILITY

At G.O.C, we believe that sustainable development is deeply intertwined with community support. Improving the lives of farmers, workers, and employees within the GOC Food Group

IMPROVING LIVES

We are proud to have created hundreds of stable jobs for local residents, particularly in rural areas. This initiative not only boosts household incomes but also enhances the quality of life for countless families.

CONTRIBUTING TO RAISING CONSUMER AWARENESS ABOUT CLEAN FOOD AND TRACEABILITY

We strive to educate consumers on the importance of clean, safe food and the ability to trace product origins. We believe that informed choices lead to better health and wellbeing, empowering people to take control of their nutrition.

IMPROVING PRODUCT QUALITY

We are continuously working to enhance the quality of our products through innovation and strict quality control measures. By doing so, we ensure that our food not only meets but exceeds industry standards, promoting physical health and contributing to the overall development of society."

PICKLES 05.

WHOLE PICKLES

We ensure the utmost freshness of our pickled whole cucumbers by harvesting and producing them on the same day. With over 20 years of experience in exporting to challenging markets, we craft various flavors to suit diverse palates. Our unique flavors have gained widespread recognition for their deliciousness, making our pickled cucumbers stand out in both local and international markets.

SLICE PICKLES

Just like our whole pickles, our sliced cucumbers are harvested and produced on the same day to ensure freshness. Using a modern production line, we offer various cuts, including round, wrinkle slice, sandwich slice, spears, and oval. Beyond traditional flavors like dill and garlic, we also create special flavors such as hot & sweet, sweet, and zesty to cater to diverse preferences.

PEPPERS 05.

We take pride in being the first company in Vietnam to introduce jalapeño varieties, successfully cultivating them for over 10 years. For all our peppers, we handpick 100% and maintain strict control over every aspect of production, from seedlings to fertilizers and agrochemicals used. Our commitment to quality allows us to develop a wide range of flavors and products, including regular, fermented, and hot & sweet varieties, tailored to suit different markets.

SRIRACHA JALAPEÑO HOT SAUCE

Our Sriracha Jalapeño Hot Sauce is crafted from jalapeño peppers cultivated on our own farms, ensuring full traceability and control over quality. The thick flesh of our jalapeños provides a naturally rich and spicy flavor that sets it apart from other chili varieties. Each pepper is hand-picked, allowing us to remove stems and spoiled fruit, resulting in a vibrant color and superior quality. Available in two styles, red and green, our Sriracha Jalapeño Hot Sauce comes in three convenient sizes: 9oz (255g), 17oz (481g), and 28oz (793g), perfect for all culinary needs.

RICE NOODLE AND VERMICELLI 05.

GLASS VERMICELLI

Glass vermicelli (miến) is a long-standing traditional dish, cherished by many generations of Vietnamese people. In 2024, driven by market demand and the leadership's strong determination, we invested in a fully integrated and modern production line. This not only enhances product quality but also increases production capacity. We are proud to be the first factory in Northern Vietnam to produce glass vermicelli on an industrial scale, meeting growing consumer needs while preserving the authentic traditional flavor.
